Contract RP/CQS-20-1 “Analysis of the existing recording and registration information systems. Elaboration of the development strategy for the unified recording and registration information system. Development of requirements for the unified recording and registration system”

The Russian Federation has received financing from the World Bank toward the cost of the Registration Project, and intends to apply part of the proceeds for consultant services.

The services include:

1. Analysis of the current status of automation of RosReestr, its territorial units and standalone departments in the Participating Regions with regard to the registration of rights and transactions in immovable property and cadastral recording of immovable property. Analysis of core business processes of registration and cadastral recording of property and the existing systems supporting maintenance of the USRR and SPC.
2. Elaboration of the automation development strategy for RosReestr, its territorial units and standalone departments with regard to maintenance of the USRR and SPC in electronic format within the unified cadastre-registration process.
3. Development of requirements for the unified information system of registration and cadastral recording of immovable property to ensure support and unification of the USRR on electronic media and the state immovable property cadastre on electronic media within the unified information system.
4. Preparation of a feasibility study for development of the unified cadastre-registration information system.

The services are to be implemented from July, 2011 to January 2012.

The Non-commercial Foundation for Enterprise Restructuring and Financial Institutions Development now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may associate to enhance their qualifications.

A consultant will be selected in accordance with the procedures set out in Section 3.7 of the World Bank’s [*Guidelines: Selection and Employment of Consultants by World Bank Borrowers*](#) dated May 2004.

Interested consultants may obtain further information at the address below during office hours from 10:00am to 18:00pm Moscow time Monday through Friday.

Expressions of interest must be delivered to the address below by May 23, 2011.
