Contract RP/CQS-39 « Improvement of interaction of RosReestr's territorial units and its subordinate institutions during performance of state services related to presentation of generalized information, including analytical information, based on united recording and registration system»

The Russian Federation has received financing from the World Bank toward the cost of the Registration Project, and intends to apply part of the proceeds for consultant services.

The services include:

- analyze demand (including large groups of potential users) for generalized information, including analytical information obtained on the basis of data from USRR and SPC;
- analyze options for organization and development of the information and communication system of RosReestr in order to satisfy the demand for this information given partial application of funds received as the service charge;
- estimate aggregate costs of the establishment/maintenance of the relevant automated system and presentation of generalized information, including analytical information, for the period from 2011 to 2015 based on the forecast demand for said services;
- identify approaches to comprehensive performance evaluation (including legal, economic, social, budgetary and other aspects) of the interaction scheme for the RosReestr TUs and subordinate institutions during the provision of state services related to presentation of generalized information, including analytical information;
- prepare a financial feasibility study for the proposed option of presentation of generalized information, including analytical information;
- develop principles to estimate the amount of charge for the provision of relevant information services, a rationale, charge/refund terms and procedures; and
- develop and justify proposals for the formation of data structure and procedures for presenting generalized information, including analytical information.

The services are to be implemented from August 2011 to December 2011.

The Non-commercial Foundation for Enterprise Restructuring and Financial Institutions Development now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.), inter alia, consultants shall demonstrate that they have at least 3-year work experience related to the provision of state services (at least 3 successfully implemented contracts over the past three years); experience in the capacity to conduct the required market research (information service demand research); experience in legal review and analysis of economic and financial information, as well as working experience in the regions of the Russian Federation.

A consultant will be selected in accordance with the procedures of Selection based on Consultants' Qualification method (CQS), set out in para 3.7 of the World Bank's [*Guidelines: Selection and Employment of Consultants by World Bank Borrowers*](#) dated May 2004.

Interested consultants may obtain further information at the address below during office hours from 10:00am to 18:00pm Moscow time Monday through Friday.

Expressions of interest must be delivered to the address below by 6 of July, 2011.
