Expressions of interest

Contract RP/QCBS-46: Development and Carrying Out of Training in Specialized Courses and Specific Areas: Training of Administrators of Software Components of Automated Systems for Internal Interaction and State Services Provided Electronically in the Area of Immovable Property

The Russian Federation has received financing from the World Bank toward the cost of the Registration Project, and intends to apply part of the proceeds for services of a consulting firm.

The services include:

- development and delivery of a training course on the subject: Software System for Receipt/Release of Documents and Module for Dispatching/Monitoring of Applications;
- development and delivery of a training course on the subject: Automated Information System of the State Immovable Property Cadastre; and
- development and delivery of a training course on the subject: Agent of the System of Application Integration and Guaranteed Message Delivery.

The services are to be implemented from February 2012 to November 2012.

The Non-commercial Foundation for Enterprise Restructuring and Financial Institutions Development now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Inter alia, consultants shall be able to represent experience in the development of training courses and provision of educational services; shall be able to demonstrate knowledge on issues related to regulatory support and methods of educational service provision to state civil servants; shall be able to demonstrate experience in development of training course and provision of educational services; have experience of interaction with government executive agencies and development of training courses envisaged by the reference; have experience in successful implementation of at least three projects on development of training courses, at least 3-year experience in creation and utilization of educational databases and administrative capacities; have facilities for the organization of training based on distance learning technologies.

A consultant will be selected in accordance with the procedures of Quality and Cost Based Selection method (QCBS), set out in paragraphs 2.1-2.28 of the World Bank's [\*Guidelines: Selection and Employment of Consultants by World Bank Borrowers\*](#) dated May 2004.

Interested consultants may obtain further information at the address below during office hours from 10:00am to 18:00pm Moscow time Monday through Friday.

Expressions of interest must be delivered to the address below by 18 of July, 2011.
