Contract RP/CQS-25 “Analysis of requirements, development of standard project designs and technical specifications for data processing centers in the Rosreestr territorial units (including engineering support systems, server and LAN equipment)”

The Russian Federation has received financing from the World Bank toward the cost of the Registration Project, and intends to apply part of the proceeds for consultant services.

The services include:

- Analysis of needs of the Rosreestr territorial units in data processing;
- Development of architecture for data processing centers of the territorial units;
- Development of requirements for components of the data processing centers;
- Development of the standard project documentation for data processing centers and engineering support systems;
- Preparation of technical specifications for equipment of data processing centers and engineering support systems in accordance with the project documentation.

The services are to be implemented from August 2010 to October 2010.

The Non-commercial Foundation for Enterprise Restructuring and Financial Institutions Development now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may associate to enhance their qualifications.

A consultant will be selected in accordance with the procedures set out in Section 3.7 of the World Bank’s [*Guidelines: Selection and Employment of Consultants by World Bank Borrowers*](#) dated May 2004.

Interested consultants may obtain further information at the address below during office hours from 10:00am to 18:00pm Moscow time Monday through Friday.

Expressions of interest must be delivered to the address below by July 06, 2010.
